

Intuit QuickBooks Online provides a number of advantages for small businesses:

- Access your finances from the cloud—everything in one place. Works on PC, Mac and tablet devices.
- Automatic bank feeds keep your data current and transaction memorisation to reduces processing time.
- The ability to complete BAS quickly and easily.
- Quick access to track your sales and expenses.
- You don't have to download any software and there's no contract so you can cancel anytime.
- If you're not 100% convinced you can access all features and functionality during a FREE 30 day trial.
- Compatible with Receipt Bank and other applications.

What about payroll?

Now you can access online payroll software (Key Pay*) which works *with* QuickBooks Online. It enables you to pay employees, organise leave and superannuation entitlements, print payslips, manage contractors and more. It is compliant with ATO legislation therefore the need to install and maintain tax tables has been made redundant.

*Key Pay is free of charge for 10 employees—\$4.00 per active employee (at least one pay in a month) per month thereafter
