

ALL YOU NEED TO RUN YOUR BUSINESS

Xero is online so you can receive automatic bank statement feeds into your accounting software each day. You'll have much greater visibility of your cashflow and no more data entry or downloads.

Dashboard - A real-time view of your business at a glance, including bank balances, money coming in and going out, key accounts and business ratios.

Online - Access to your accounts anywhere and at anytime. Your data is secure even if your computer is lost or stolen.

Work together - Give your accountant access so they can work on your books from anywhere and offer better advice.

Unlimited users - All for one monthly fixed price.

Banking - Connects with your bank accounts making reconciliations simple and accurate.

Reporting - Generate and view interactive reports with ease.

Invoicing - See at a glance who owes you money. Customise, create, send and receive quotes and invoices.

Support - Unlimited, around the clock email support and detailed online help centre.

Add-ons - Link related software to Xero to reduce data entry and improve business overview.
